IFAI.com/Marine

MFA is a division of the Industrial Fabrics Association International (IFAI), is a trade association comprised of member companies representing the global specialty fabrics and advanced textiles marketplace. IFAI invests more than \$8 million each year to advance the fabrics industry and support member companies.

**Industrial Fabrics
Association International**
1801 County Road B W
Roseville, MN 55113 USA

Your Success is Our Mission

The **Marine Fabricators Association** (MFA) provides educational resources for marine fabricator members, hosts the annual Marine Fabricators Convention and regional workshops to demonstrate best practices hands-on, analyzes and shares industry trends with its membership, and brings member companies together to build business. The Marine Fabricators Association provides a network to exchange information, solve common problems and develop mutually beneficial relationships.

BE INFORMED

- Save time and money with the MFA time standards web app with customizable labor rate
- Learn more about your market with in-depth research and surveying
